"BROTHERS IN SONG, SING ON"

History of the Morehouse College Glee Club

The history of the Morehouse College Glee Club stretches over a period of 86 years and is highlighted by many special and notable appearances. One such appearance was the command performance at Warm Springs, Georgia where the Morehouse College Quartet performed for the late President of the United States, Franklin D. Roosevelt. Another was for the funeral services of Dr. Martin Luther King, Jr., an illustrious graduate of Morehouse. Also in memory of Dr. King, the group has performed numerous memorial concerts, conventions and tributes in New York, Washington, D. C. and Atlanta. Appearances have included convocations for his Imperial Majesty, Haile Selassie, late Emperor of Ethiopia, both in Atlanta and in Addis, Ababa. In 1969, a special honor was that of being selected as one of the three choral groups in the United States to participate in the second International Choral Festival at Lincoln Center in New York City. In 1972, the Glee Club was selected by the State Department to tour five countries (Senegal, Ghana, Uganda, Nigeria and Ethiopia) in Africa. Performances in these countries were for Heads of State as well as the general public.

Under the direction of Robert Shaw, Director and Conductor of the Atlanta Symphony Orchestra, the Glee Club has performed Beethoven's *Fidelio*, Stravinsky's *Oedipus Rex*, Gershwin's *Porgy and Bess*, Faure's *Requiem*, Schoenberg's *Gurre-Leider*, and the premiere production of Scott Joplin's *Treemnsisha*. By request, there have been appearances in the "Robert Shaw and the Atlanta Symphony's Christmas Festival."

One of the most recent accomplishments of the Glee Club came on January 20, 1977 when the Atlanta University Center Chorus sang for the inauguration of Jimmy Carter as the 39th President of the United States. Another came October 3, 1978; the Glee Club was featured with Mrs. Coretta King in the East Room of the White House.

The Glee Club returned to Avery Fisher Hall at Lincoln Center in New York on December 3, 1978 for a Christmas Carol Concert featuring the combined choruses of Spelman and Morehouse Colleges under the direction of Dr. Wendell Whalum and Dr. Roland Allison.

Amidst a rich singing tradition of the Morehouse College Glee Club "is an eminent expression of brotherhood, a united force of dedication and commitment, and an unselfish labor of love." It's motto might well be the title of a favorite number by Edward Greig, *Brothers In Song, Sing On!*
